Whether the animal that comes to us is a stray, surrendered, or been abandoned, their initial reaction usually consists of frightened and anxious emotions. The kennel will be their home as they wait for their chance at a new forever home.

The kennel sponsorship program provides sponsorship of a kennel for an entire year. Every animal that resides in that kennel will benefit from your support. For cents a day, you can help the animals and everyone that comes through the door of our shelter will know and appreciate your caring support of the homeless animals.

Your support of the kennel will be on display for one year from the date the placard is placed on the kennel (please allow 2 to 4 weeks from date of purchase). At the end of one year, you may renew your sponsorship or claim your placard at the shelter. You will also receive a “Proud Sponsor of Watertown Humane Society” placard. If you renew your sponsorship, you will not receive a new placard, but a placard revealing the next year to attach to your “Proud Sponsor” placard.
